

Call for Papers

Journal of Combinatorial Optimization

Special Issue:

Theory and applications in combinatorial optimization

This special issue will present recent advances in all areas of Combinatorial Optimization. The issue will be based on contributions presented at the ECCO XXXII Conference, St. Julian's (Malta) May 30-June 1 2019, but the invitation to submit is extended to all ECCO and CO members.

The deadline for submission is **December 1, 2019**.

Main topics of interest are (but not restricted to):

- Exact methods
- Approximation algorithms
- Graphs and networks
- Heuristics
- Mathematical programming
- Metaheuristics
- Scheduling

All articles will be thoroughly refereed according to the high standards of the *Journal of Combinatorial Optimization*.

The full papers must be submitted through the Springer Editorial System <https://link.springer.com/journal/10878> as either Word or LaTeX file(s).

Please see the Author Instructions on the site if you have not yet submitted a paper through this web-based system. Be sure to note that your work is intended for the Special Issue "S.I : ECCO 2019" and inform the Guest Editors once you have successfully submitted your paper.

Accepted papers will be published online individually, before print publication. We are looking forward to receiving your contribution.

The Guest Editors,

John B. Gauci john-baptist.gauci@um.edu.mt
